

ANSWERS – Round 3

Q1. Name the top North American IOM skipper who recently scored an impressive top 10 result in the 2019 North American DN Ice Boat Championship. A bonus point for how many times he has won the USA IOM Nationals. (one point for each)

Peter Van Rossem CAN

4 2002, 2007, 2008, 2009

2 points

PVR has been busy during his time away from the IOM class with some impressive results in the Shark class to add to his Ice boating feats. Congratulations Peter!

Q2. The IRSA Marblehead class championships have been held how many times?

18

1 point

Last held in Biblis Germany in 2018, the International Marblehead class (now IRSA Marblehead class) looks forward to number 19 when the dust settles and we all get back racing again.

Q3. Name the Englishman to have twice won the IRSA Ten Rater class World Championship sailing his own design?

Squire Kay

1 point

Lancashire's Squire Kay won back to back titles in 1978 and 1980. The first in Durban South Africa, and the second in Ottawa, Canada. He was the first skipper to have won the title on more than one occasion.

Q4. Name the above character who once served our sport so well within the IMYRU and continues to enjoy all levels of racing the world over. A bonus point if you can identify the IOM design he is sporting here (one point for each)

**John Cleave
Widget**

2 points

Q4. The RMG Sailwinch has made a name for itself as a popular choice for racing radio sailors across the world. If I was to visit their Australian headquarters, which well known winery region would I be closest to?

Barossa Valley

1 point

Q6. Name the FIVE designers to have had their IOM design/s win a World Championship with a skipper other than themselves sailing it. For a bonus point you need to get the design/s and year/s won with each designer.

Gary Cameron TS2 97

Chris Dicks Gadget 01/Widget 07

Barry Chisham ISIS 03

Graham Bantock Pikanto 09

Brad Gibson Britpop 11/13

2 points

*If you didn't get each design, its designer and the corresponding year, no bonus point sorry.

Q7. What is the maximum depth allowed for an IOM hull?

60mm

1 point

Q8. Our sport has been fortunate to have a number of designers that worked with Americas Cup challengers and defenders. Two of these have gone on to race for the Americas Cup as designers and win it. One has a 10 Rater class trophy sailed for in his honour and the other had his then latest design racing at the 2011 IOM Worlds at West Kirby. Name them

Ben Lexcen AUS and Mike Drummond NZ

2 points

Ben Lexcen was the man behind the winged keel design that took Australia 2 to victory in 1983 at Newport, RI. The first time the USA had lost the Cup. Ben raced and designed 10 Raters in Sydney, Australia for a time in the late 70s and early 80's and has a race held in his honour there. Mike was a part of the second team to take the Cup for the US as part of the 1995 'Black Magic' NZL design and sailing team. He is also the designer of the Drumbeat IOM design of which Paul Goddard raced a Mk2 version at West Kirby.

Both are members of the Americas Cup Hall of Fame recognising their contributions to AC design.

Q9. Name these three countries that were recently represented at International events. UKR, ROU, THA (one point for each)

Ukraine , Romania, Thailand

3 points

Q10. In keeping with our love of music and differing genres, question 10 will test your musical prowess each week. If you were to name for yourself the LAST build of a design for INTERNATIONAL competition, what song by UK artist Morrissey would be best suited?

1 point

'Last of the Famous International Playboys'

This boat now races in FRA, owned and sailed by Marc Alazia

Join us for our Final Round 4 from 7.00pm this coming Friday 24th of April

Cheers and stay safe
